

DRAMA 2009-2010

We are excited to announce the following productions for the 2009-2010 school year: November 13-14 will be the fall play, "All I Really Need to Know I Learned in Kindergarten." May 20-22 will be a spring musical, "Seussical the Musical."

Auditions for the fall play were held last week. If your high school student missed the auditions but would still like to audition, he/she must contact Mrs. Betz at 610-286-5706 or surebetz@dejazzd.com immediately.

Auditions for the spring musical will be held in early to mid January. Most of the parts in the musical are for high school students, but there are also a small number of parts that will be open to elementary and middle school students. The rehearsal schedule will be published at the time of auditions, and although it is subject to change, it should give potential participants a clear understanding of the time commitment that will be needed. Students are expected to consider whether or not they are able to commit to the schedule before auditioning. For girls who wish to play soccer as well as participate in the musical, there will be a limited number of small parts specified as possibilities for soccer players. Students who wish to participate in track will also generally be considered for smaller parts due to their schedule demands. As much as possible, attempts will be made to accommodate students wishing to participate in sports and the musical. In all cases, decisions about casting will be at the discretion of the director.

Consider now, with your children, how they might want to be involved in these opportunities and what commitments will be best for their schedules. Watch for more information and join us for these exciting student productions this school year.
