Dear Parent(s)/Guardian(s):

According to Pennsylvania Law, non-public school students are entitled to transportation to non-public schools as follows:

1. A district which provides transportation for resident public school students must also make identical provisions for the transportation of resident non-public school students according to the non-public school's calendar.
2. Transportation for non-public school students must be provided to and from the non-public school in which the student is enrolled, even if the non-public school is located outside the district, so long as the distance is not more than 10 miles beyond the district's boundaries. (Note: This distance may be in excess of 10 miles from the student's home.)
3. A district may transport students who live along hazardous routes even though the students live within walking distance of the school.
4. There may also be times when non-public or charter schools choose to go with a delayed opening and Daniel Boone Area School District does not. When that happens, the Daniel Boone Area School District will honor the request. Students will be transported according to the delayed schedule requested by the non-public or charter school.
5. If the Daniel Boone Area School District is closed due to the weather or emergency conditions, the buses will not run, regardless if the non-public or charter school is open. If the Daniel Boone Area School District has a two-hour delay, all Daniel Boone Area School District non-public and charter school buses will run on the two-hour delay schedule.

Please complete the Request for Transportation Under Act 372 form and return to your non-public school immediately.

This form should also be used to indicate an address change.

This document is required to be submitted **no later than July 15**. Any ACT 372 form submitted to Daniel Boone Area School District after July 15 may not guarantee transportation to start on the first day of school.

If your child is transferring to a non-public school, or if you are new to our District, please submit the Non-Public Residence Verification form. Two proofs of residency are required with this form.
